

Schellingiana

Quellen und Abhandlungen zur Philosophie F.W.J. Schellings

On behalf of the International Schelling Society edited by Walter E. Ehrhardt and Jochem Hennigfeld.

The goal of the ›Schellingiana‹ is to promote the knowledge of Schelling's philosophy and its study. This series includes articles on Schelling research, editions, reprints and study texts as well.

All volumes published so far can be found on the publisher's homepage at <https://www.frommann-holzboog.de/reihen/55?lang=en-gb>

We offer you:

- complete copy-editing and proof-reading by native speakers in German and English
- professional, premium-quality layout
- premium-quality printing, paper and binding
- All volumes of this edition will be published as printed book and e-book.
- An Open Access Publication is also possible for a fee.
- promotion of your book to 12.000 addresses globally; advertisements in journals, at conference and at Frankfurt Book Fair
- state-of-the-art review tool
